**FOREIGN STEEL UNLOADED**—Japanese steel plate is unloaded from the freighter Kosh Maru in Houston as the steel strike goes on. This was part of 21,600 tons of foreign steel moving into Houston in what a local steel leader describes as an attempt to take over the market.

## Growers Voting in Wheat Referendum

Scores of wheat farmers of the Hamlin territory were due to go to the polls today (Thursday) to participate in the annual vote on wheat marketing quotas. Indications to a Herald reporter early this week, as he talked with several growers, was that the referendum would again be approved as in the past several years.

### Hamlin Schools Will Open Term August 31

Hamlin public schools will begin their 1959-60 term on Monday, August 31, as was announced this week by Superintendent J. Schools C. F. Cook.

This is two days earlier than last year's September 2 opening day.

Pre-registration of high school students will be staged several days previous to the official opening. Principal B. V. Newberry will announce particulars about this phase of the opening later.

## Tri-County and Abilene Baseballers Split Two Games in Pony League Play

After losing a heart-breaking 8 to 6 decision Monday evening to the Key City Pony League All-Stars in Abilene, the Hamlin Tri-County squad came back Tuesday night on the home diamond to trim the Abilene crew 13 to 12 and remain in the district Pony League play-off.

The "sugar" game in a two-out-of-three elimination will be played this (Thursday) evening at 8:00 o'clock at the Pied Piper diamond on Southwest Fifth Street. Winner of the play-off will participate in the six-team district

### Little League All-Star Team Plays Friday In Play-Offs for Area

Hamlin's all-star team made up of players from all four teams playing in the Little League baseball loop completed last week will get into the play-off action tomorrow (Friday) evening at 7:30 o'clock at Merkel. This is part of the Area 3 play-off.

Merkel and Sweetwater National League teams are to play at Merkel this (Thursday) evening at 7:30 o'clock to start the area eliminations. Hamlin's entry will play the winner of this match.

Preceding the Hamlin game Friday Bronte and Sweetwater Americans will play at 5:00 p. m. In the Area 4 play-offs, teams from Rotan, Snyder Nationals, Colorado City and Snyder Americans will play.

In Area 1 and 2 play-offs several Abilene teams and the Winters squad will participate.

If wheat marketing quotas are approved by the necessary two-thirds majority of wheat farmers voting over the nation in the referendum, the 1960 national average support rate for complying wheat producers will be not less than \$1.77 per bushel, R. G. Rowell, chairman of the Jones County Agricultural Stabilization and Conservation committee, announced this week from Anson.

If quotas are not approved, the loan rate to complying producers will be approximately \$1.18 per bushel. Non-complying producers are not eligible for loans in either case.

Polling places to be provided in Jones County at which eligible farmers may cast their ballots have been previously announced, says Rowell. Hamlin area voters will vote the Hamlin Farmers Co-operative Gin.

Rowell urges every wheat farmer to express his wishes in this matter by exercising his privilege of voting in the referendum.

tournament beginning Monday at Abilene. Other teams in the tournament are being determined this week in games underway in Central West Texas cities.

In the Monday night tilt at Abilene the Tri-County All Stars (made up of players from Hamlin, Roby, Rotan and Aspermont Pony League teams) led the Key City boys 3 to 2 after four innings, and the game was tied up 6 to 6 after six stanzas. In the bottom half of the seventh inning Gary Williams blasted a two-run homer to defeat the Tri-County crew. Abilene got six hits, while the Tri-County boys garnered nine bingles in the fray.

In the Tuesday night melee the Tri-County team took an early lead by scoring five runs in the first inning, and got three more tallies in the third. Key City made two runs in the first, two in the second, one in the third, one in the fourth and two in the sixth to tie things up 8 to 8. In the crucial seventh Key City pushed over four runs in the top half of play. With one man out in the bottom half of the seventh, Bill Ashton of Rotan singled and Van Newberry of Hamlin doubled. Lennis Polnac of Rotan was safe on a fielder's choice and Ashton also was safe on the play at home. Randy Brown of Hamlin hit a two-baser and scored Van Newberry. Steve Herron of Rotan was safe on an error. Then Dan Newberry of Hamlin got a three-bagger to score Brown and Herron and put the game on ice.

## Rainy Now, But Year's Fall Below Normal at Hamlin

Contact folks of the Hamlin territory nowadays and they will tell you this is a rainy, muddy country—but actual rain figures of the U. S. government weather station at the city pump station will not bear them out if the entire year's record is consulted.

Total rainfall at Hamlin through Tuesday of this week was 13.06 inches—several inches less than the average rainfall for this time of year. Actually the average precipitation through June is 13.11 inches.

However, July's rainfall so far leads the monthly parade of figures with a total of 4.32 inches. Total for the preceding six months was 8.74 inches, making the total for the year 13.06 inches.

But Hamlin has been one of the "drouthy" parts of the county, many farmers will tell you, especially those who live east and southeast of town. One farm-woman living six miles east of Hamlin said this week she believed she had received more than 20 inches. More than four inches fell on her place last Friday and Saturday—when only 1.29 was recorded at the Hamlin station.

By months, the rainfall at Hamlin has been recorded as follows: January, .01; February, .25; March, .63; April, 1.26; May, 2.91; June, 3.68; and July through July 20, 4.32.

Rain was recorded on nine of the first 20 days of July at Hamlin as follows: July 1, 1.41; 2, .13; 3, .04; 9, .51; 11, .44; 16, .43; 17, .58; 18, .71; and 20, .07.

### Methodist Revival Set At McCauley Church

Rev. John Raymond will do the preaching in an eight-day revival meeting beginning Sunday, July 26, at the McCauley Methodist Church, it is announced by Rev. Jerry Franz, pastor. John Rosenberg will direct the musical program for the series of services.

The services will be at 11:00 a. m. and 8:00 p. m. on Sunday and at 8:00 p. m. only from Monday through Saturday. The public is invited.

### J. W. PERRYMAN JR. ILL.

J. W. Perryman Jr. of Houston, former resident, who came last week for a visit with Hamlin relatives, was taken suddenly ill Sunday. He entered Hamlin Memorial Hospital, where his ailment was diagnosed as a liver condition. He was reported in a critical condition Wednesday.

**NEW PRESIDENT PRO TEM**—Lieutenant Governor Ben Ramsey (left) administers the oath of office to Senator Abraham Kazen of Laredo as the new president pro tempore of the Senate in Austin. Kazen took over the office from Senator Andy Rogers and will serve during the third special session of the Legislature. The post puts him third in line for the governor's chair.

### Hamlin's Portion of Prize Money for Jones County Fair Already Raised

Hamlin community's portion of prize money to be offered winning exhibitors at the forthcoming Jones County Fair at Anson has been raised, it was announced at the regular monthly business session of the board of directors of the Hamlin Board of Community Development, held at the BCD office Monday evening.

The exhibition, which will feature crop livestock and handicrafts, will be held Friday and Saturday, September 4 and 5. It will also feature club boys' and girls' projects as well as work of Home Demonstration Clubs of the county.

More than \$1,500 in cash prizes will be offered to exhibitors. The money is being raised in the major communities of the county. Hamlin's assessment of the total was \$400.

The BCD directors voted to cooperate in the staging of the Junior Rodeo next month being sponsored by the Hamlin Riding Club. BCD President Fred B. Moore Jr. named a committee to promote a motorcade from Hamlin to neighboring communities advertising the rodeo.

Routine matters also were attended to by the Board of Community Development directors at the Monday evening session.

**GOVERNOR LONG GREETS COUSIN**—Governor Earl Long of Louisiana greets cousin, Dave Bell, as he arrived in El Paso. Lashed to the top of the governor's Cadillac is a case of cantaloupes that he purchased at Pecos.

## Early Entries Indicate Array Of Junior Rodeo Participants

### Hamlin's Portion of Prize Money for Jones County Fair Already Raised

Hamlin community's portion of prize money to be offered winning exhibitors at the forthcoming Jones County Fair at Anson has been raised, it was announced at the regular monthly business session of the board of directors of the Hamlin Board of Community Development, held at the BCD office Monday evening.

The exhibition, which will feature crop livestock and handicrafts, will be held Friday and Saturday, September 4 and 5. It will also feature club boys' and girls' projects as well as work of Home Demonstration Clubs of the county.

More than \$1,500 in cash prizes will be offered to exhibitors. The money is being raised in the major communities of the county. Hamlin's assessment of the total was \$400.

The BCD directors voted to cooperate in the staging of the Junior Rodeo next month being sponsored by the Hamlin Riding Club. BCD President Fred B. Moore Jr. named a committee to promote a motorcade from Hamlin to neighboring communities advertising the rodeo.

Routine matters also were attended to by the Board of Community Development directors at the Monday evening session.

### J. D. Raney Wins \$49 in Saturday's Appreciation Day

J. D. Raney of Hamlin, with a 10 per cent coupon, received \$49 from the Appreciation Day treasure chest Saturday afternoon in the weekly drawing of the trade extension project of Hamlin merchants.

Receiving the three consolation awards in subsequent drawings Saturday afternoon were: Mrs. C. E. Butler, 120 Northwest Avenue B, car wash and lubrication from Herting's Humble Service Station; Mrs. Johnny Wood, 450 Avenue F, car wash and lubrication from Hamlin Motor Company; and Fred Jenkins, gift certificate from Rockwell Brothers & Company lumber yard.

Treasure chest for next Saturday's drawing at 4:30 o'clock on Southwest Third Street, will total \$530.20, it is announced by the trades committee of the Board of Community Development, sponsor of the Appreciation Day project.

Consolation awards will be given by Prewitt Motors, Kincaid Gas & Appliance Company and Aaron Wells Service Station.

### Contestants to Be Not Over 19 Years Of Age for Entry

A good delegation of entries already is assured for the first annual Junior Rodeo being sponsored at Hamlin on Thursday, Friday and Saturday, August 13, 14 and 15, by the Hamlin Riding Club, declare officials of the club.

The event is being staged for contestants 19 years of age and under. Nine separate events are planned for the three evening performances beginning at 7:30. Cash prizes have been posted for winners in the various events, being 50 per cent of admission charges and 50 per cent of the entry fees on riding and roping events.

A street parade in downtown Hamlin will be staged Thursday, August 13, only, beginning at 4:00 o'clock. Sheriff's posse and riding clubs are invited to participate in the parade.

All entries for the rodeo events must be in by noon Thursday, August 13.

The events and entry conditions, as announced by Riding Club officials, follow: One bull riding, total \$10; one bareback bronc riding, total \$10; two go-rounds sponsored contest, \$10 entry fee, jackpot; poll bending race \$8 jackpot; two calf roping (14 years of age and under), total \$10; two calf ropings, total \$10; two ribbon ropings, total \$10; two go-rounds open barrel race (14 years of age and under), jackpot \$6; soda pop race, first prize \$2, second prize \$1 (14 years of age and under, must be mounted).

Prospective contestants or others may get further information or file entries with Mrs. E. J. Hawkins, Mrs. John D. Ferguson or C. R. Reynolds, it is announced.

### Lee R. Howards Back From Duty in France

Captain and Mrs. Lee R. Howard and four children arrived last week from a three-year stay in France where he was serving with an Army unit. They are visiting Mrs. Howard's parents, Mr. and Mrs. W. C. Moore.

The grandparents had to be introduced to the two youngest children, who were born while the couple lived in France.

Captain Howard has been re-assigned to Dayton, Ohio, where he will enter instructors' school.

## Orville D. Roland To Assume Post Here August 1

Orville D. Roland of Fort Stockton was named manager of the Hamlin Board of Community Development at a called meeting of the BCD board of directors Saturday afternoon.

The new manager will assume the post on August 1, he announced, in accepting the post.

The Board of Community Development has been without a full-time manager since it was reorganized in January, 1958, after the demise of the Chamber of Commerce. Mrs. Ned Moore, office secretary, has doubled in the managerial duties during that period. Last full-time manager for the Chamber of Commerce was Onis Crawford, who resigned in 1954. The CC was inactive for three years.

Roland, a native of Greenville, has been in Chamber of Commerce work for three years. He had been at Fort Stockton a little over a year, going there from Merkel. While at Merkel he also was connected with the newspaper, The Merkel Mail.

Roland received his higher education at the University of Texas at Austin and Southern Methodist University at Dallas.

Mrs. Roland, who has done nursing at Hendrick Memorial Hospital, is a graduate of Scott & White Nursing School at Temple.

The Rolands have two children, a boy aged 12 and a girl aged nine.

### Vacation Bible School Slated by Nazarenes

Annual vacation Bible school of the Hamlin Church of the Nazarene will be conducted six days next week, beginning Monday and concluding Saturday, it is announced by Rev. R. T. Jarrell, the pastor.

Children of the community from nursery age through junior high school are invited to attend the classes, being held from 8:30 a. m. 12:00 noon. Crafts, Bible study and singing will be featured. Mrs. Joe Norton is superintendent.

### Revival on at Neinda Methodist Church

In a series of revival services that began Sunday, July 19, at the Neinda Methodist Church, Rev. Fred Brown, pastor of the Methodist Church at Sylvester, is the evangelist. The meeting will continue through July 26.

Services are being held each evening at 8:00 o'clock, to which the public is invited.

### Who's New This Week

Mr. and Mrs. Dale Bever of Van Nuys, California, are announcing the birth on July 17 of an eight-pound five-ounce daughter, who has been named Dawn. The mother is the former Janice Bonner, daughter of Mr. and Mrs. Harold Bonner of Hamlin.

Four new citizens have been recorded at Hamlin Memorial Hospital since last week's report in The Herald. All gentlemen, they are:

A boy for Mr. and Mrs. Roy Gardner was born July 15. After having his weight checked at five pounds nine ounces, he accepted Elvin Leroy for a monicker.

A boy arrived for Mr. and Mrs. Stanley Butler July 14. The eight-pound three-ounce youngster was labeled Robert Mark.

A boy for Mr. and Mrs. Elisha Barnes of Aspermont was born July 17. Milton will be his name. He tipped the scales at nine pounds three ounces.

A boy for Mr. and Mrs. J. D. Shelton discovered America July 16. He balanced the scales at seven pounds nine ounces. He was named Homer James.

## RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper, The Herald.

### THIRTY YEARS AGO.

In scanning the files of Your Home Town Paper, we find the following news briefs, taken from the issue of The Hamlin Herald dated July 19, 1929:

Mrs. W. J. Bryant was a delightful hostess to members of the Tuesday Club. When games were concluded the hostess served a salad plate and iced tea to Mrs. W. F. Johnson, J. O. Jones, Fred Carpenter, T. E. Harden, D. O. Sauls, H. O. Cassle, Homer Massey, W. J. Poe, Oscar Maples and Miss Lulan Vaughan.

Several young men from Hamlin are among soldiers taking training at Fort Sill, Oklahoma, at the citizens' military training camp. Included in the group are Elmer L. Blackwell, Harvey J. Elkins, Wilson S. Howell, Shirley P. Lindsey, James W. Dobbins, J. Van Walling, J. W. Watson, Don R. Brice and Kain O. Barrett.

Mr. and Mrs. W. A. Nobles and daughter, Mildred, and son, W. A. Jr., visited their daughter and sister, Mrs. E. S. Scrimshire, at Pecos last week.

### TWENTY YEARS AGO.

From the files of The Hamlin Herald dated July 21, 1939, the following news briefs of 20 years ago are reproduced:

Mr. and Mrs. G. B. Henry and children, Martha Nell and Betty Bruce, left Monday for Dallas and Galveston for a two-week vacation.

Ruby Phenix of Longview came Monday to spend the summer with her mother, Mrs. Preston Phenix, who is ill. Miss Phenix is teaching in a school near Longview.

Rev. and Mrs. J. Henry Littleton are in Atlanta, Georgia, this week attending the meeting of the Baptist World Alliance.

Mr. and Mrs. R. H. McCurdy and son, Chuck, were hosts Friday evening at the McCurdy camp on Hamlin West Lake to 175 cotton men and their families from this section of West Texas.

Good progress is being made on efforts to get the Hamlin-to-Rotan highway paved, according to Harry Hines, chairman of the Texas Highway Commission.

### TEN YEARS AGO.

Events in the Hamlin community 10 years ago included the following, reprinted from the issue of The Hamlin Herald dated July 22, 1949:

Walter P. Chalcraft, new band director for Hamlin Schools, announced this week that he will begin summer classes in band next week.

First load of maize was sold in Hamlin this week to McBride Grain Company. It was raised by Mose Jones, farming east of town.

Property valuations in the City of Hamlin have been increased approximately 25 per cent by a board of equalization. Mayor Holly Toler explains that more money is needed to operate the city, and he pointed out that valuations in the town had been much lower than average towns of Hamlin's size and circumstances.

Hamlin Volunteer Fire Department has recently purchased a portable pump for use of the public on drowning and shock victims. Members of the fire department have been conducting drills on the use of the apparatus.

### FIVE YEARS AGO.

Goin' on in the Hamlin community are reflected in the following news briefs, taken from the issue of The Hamlin Herald dated July 23, 1954:

Primary election Saturday will climax several months of campaigning over the county and state. The governor's race holds top interest on the state level.

Rev. J. Henry Littleton, former pastor of the Hamlin First Baptist Church, and more recently district missions secretary and manager of Lueders Baptist Encampment, was presented a new automobile by people of the district after announcing his retirement from active service in the district.

### ONE YEAR AGO.

News bits from the Hamlin Herald dated July 24, 1958, include the following:

Although interest is not quite as high this year as usual, a good turnout of voters is expected to participate in Saturday's primary election.

Hamlin's Little League winning team blanked the Merkel kids 10 to 0 Tuesday night to reach the regional play-off that will begin Thursday night at Abilene. They will play the Abilene A's Stars.

Increased costs of postage will become effective over the nation next Friday, letter postage being increased from three to four cents.

## Governor's Survey Shows Greatest Problems of Children Due to Parents

Almost two-thirds of the responses from newspaper readers in Texas expressed the belief that the greatest problem of children is lack of parental care, guidance and discipline.

Governor Price Daniel announced this this week in disclosing the first results of a state-wide newspaper public opinion poll conducted by the governor's committee for the 1960 white house conference on children and youth.

The committee had requested readers to send their opinions on the 10 greatest problems facing Texas children and youth, and most newspapers printed the poll as a public service.

A tabulation of the first 1000 replies to the poll revealed that 63 per cent considered lack of parental care and guidance the top problem. Three-fifths of this group specifically cited lax parental control while two-fifths cited lack of spiritual training and church attendance.

Dr. Guy D. Newman of Brownwood, chairman of the governor's committee, presented results of the poll to the governor.

Under problems relating to parental care and guidance, specific complaints most often repeated were lack of spiritual training; poor church attendance; poor parental examples; not giving child enough responsibility; lack of discipline and obedience to parents; lack of family unity and teamwork; lack of parental responsibility; too much freedom with cars; lack of teaching respect to others.

Other problems mentioned in order of frequency were: Lack of educational opportunities, 10 per cent; too much time and too little work, nine per cent; working mothers, five per cent; poor public influences such as lewd and

violent shows, obscene literature, alcohol and drugs, four and one-half per cent; "juvenile delinquency," three and one-half per cent; financial need, three per cent.

Governor Daniel pointed out that the poll is still open, and that radio and television stations are requesting listeners to send their views on youth problems.

"These opinions from the grass roots level will serve as a guide for the committee members when they attend the white house conference next March," the governor stated.

## Officials Working on 1960 Fat Stock Show Slated at Fort Worth

It's a long time until the Friday in January, when the 1960 Southwestern Exposition and Fat Stock Show opens in Fort Worth, but a lot of work is being done this summer in preparation for the sixty-fourth annual exposition, declares a release from Fort Worth to The Herald.

W. R. Watt, Fort Worth Stock Show president and manager, is not one to let the exposition become routine. He and key members of his staff are alert the year around watching for ways to improve and enlarge the exposition.

This summer Watt has made several long trips to scout bucking horses performing in small-community rodeos, looking for bucking talent just as baseball scouts search for young men who may be potential players in the major leagues.

The modern husband, far from ruling his wife, is satisfied if he can have his own way in a few minor matters of life.

PINK PLAID—Pink is so feminine, even in plaid easy-fitting trousers. These handsome ones were designed by Jack Winters in easy-care cotton turf cloth for the modern miss who likes to lounge at home in casual comfort.

### ORAL EVIDENCE.

"What makes you think that the frisky looking old gentleman in room 416 owns a plantation?" asked the house detective in the swank hotel asked the Swedish maid.

"Well," she replied, "ven I was dustin' by the door I heard him say, 'Let's have anodder drink den go out and raise cane, sugar!'"

## ROAD OF INFLATION MAY LEAD TO OUR RUIN!

With prospects that inflation in these good old United States will continue for some time to come, national leaders are voicing their opinion that "something's gonna bust!"

Charles B. Stenman, president of the American Farm Bureau Federation, makes some interesting observations about inflation and its probable results.

He asks the question: Inflation—what is it? The purchasing power of the dollar cut in half during the past 18 years; the price of a pair of shoes up from \$5 to \$12; gasoline from 14 to 29 cents per gallon; the carpenter's wages from \$1.50 to \$3 per hour; the \$750 that you invested in a government bond 10 years ago was the cash difference between your old tractor and a new one—today you would need to add more money to the \$1,000 from the bond to make the same trade. Higher wages cause higher prices which bring on demands for another wage hike and so on until the bitter end—this is inflation!

What does inflation do to you? Constantly rising prices destroy much of the value of insurance policy, annuity, social security, pension and other savings for old age. The incentive to save is reduced—capital for business, industry and agriculture becomes scarce—unemployment increases because of reduced investments in factories and tools. With either gradual or rapid inflation, savers become spenders as they lose confidence in the value of tomorrow's dollar. Young people find the

money saved for the education of their children or the business they hope to own destroyed by inflation more rapidly than it accumulates. Yes, inflation hurts us all.

What causes inflation? After the Civil War it was printing press money issued to avoid tax increases to pay government debts. Today there are two major causes—the continuous round of wage-price increases and excessive spending of the federal government. During World War II there was a logical excuse for huge federal budget deficits—but why should they continue for 13 years? It is easy to spend money, especially when it does not seem to belong to anyone. Demands by citizens for federal aid for highways, schools, river dams, slum clearance, airports and hundreds of other desirable projects, plus additional billions for foreign aid, veterans' benefits and former ACP payments add up to deficit financing and great inflationary pressure. When government spends more than it takes from the taxpayers it competes for goods and services and drives prices up with money that has not been earned.

But how can we stop inflation? Remove the causes—stop blowing up the bubble before it bursts. Curb the monopoly and price fixing powers of big labor and big business, reduce government spending and balance the budget. Yes, inflation hurts now, but it will hurt all of us more and more each year it continues. Worse, it can bring economic ruin to our nation.

## Eccentric Senior Partner

What would you think of a senior partner, drawing his living from a business, who did everything he could think of to assure that the business couldn't run at a profit and serve its customers?

The United States government is the senior partner of every large and medium sized business in the land—taking as its share 52 per cent of the earnings. That's a good part of Uncle Sam's total income. The rest of the income is derived from the wages and profits others make out of the operations of business, including farming.

Yet, rather than encouraging business to produce all this revenue for the government, Uncle Sam in recent years has treated business as undesirable. Business has been subjected to all sorts of hampering legislation, with threats of more to come. Tax laws have been arranged so as to discourage the formation of new businesses and the expansion of existing ones. When powerful labor unions choose to take a poke at business, Uncle Sam's participation usually is to hold business' arms behind its back.

Business, as Vice President Nixon said, is the people. And government is the people, too.

Can it be that we've all been fooled into taking a great roundhouse swing at our own jaw?

## Nuggets of Thought

What is most needed for learning is an humble mind.—Confucius.

A wise man will hear, and will increase in learning.—Proverbs 1:3.

A man of learning has riches within him.—Phaedrus.

The mind is slow to unlearn what it has been long in learning.—Seneca.

Commonly those that be unfittest for learning be chiefly set to learning.—Robert Asham.

When a great learned man, who is long in making, dieth, much learning dieth with him.—Edward Coke.

Knowledge enormous makes a god of me.—John Keats.

The worst hand value of knowledge is in proportion to the worth and value of its object.—S. T. Coleridge.

## The Mr. and Mrs.

"Well, if that doesn't beat all!" Molly exclaimed.

"What's that, Molly?" the Mr. inquired, glancing cross the room at his wife.

"It says here in the paper that the government is paying out our tax money on empty cemetery lots!"

"It's doing what?" It was the Mr.'s turn to be surprised.

"The city of Anderson, South Carolina, had 50 acres in its cemetery that won't be needed until later," Molly explained. "The board of aldermen wanted to beautify the area but didn't want to spend the money to do it. So they fertilized and seeded it—and then put it in the Federal Soil Bank."

"It cost less than \$1,000 for the fertilizing and seeding, and the city is getting back between \$2,500 and \$3,000 in payments from the federal government under the soil bank program!"

For once the Mr. was speechless. He just shook his head in pained amazement.

## Editorial of the Week

SLAVES HAD "SECURITY."

We used to put a pretty high price on freedom in this country. As the settlers headed west for the privations and hardships of months of crawling, dusty travel, all they asked of government was to keep foreigners out of their hair while they fought off the Indians, starvation and any other obstacles to their freedom to make and build a life in a new land.

Today we seem to be willing to piddle away this freedom for "security"—security from hunger, want and hardship guaranteed by government.

We forgot that the plantation slaves of the South had all these things we prize so highly today as long as they had kind, benevolent masters. The only price they paid for it was their freedom.

We, too, can have complete security at the same price, but who can guarantee that our masters will always be kind and benevolent? New Plymouth (Idaho) Valley Sentinel.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avitaquin Canyon

NO MOUNTAIN CAT, MISTER...

## That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways of a big western bobcat. Roams through high brush country that would buck the life out of most trucks. Crosses streams without benefit of a bridge. Climbs talus grades where pifion won't even grow. But that's all routine for this Chevy, equipped with Positraction\* rear axle. It's hard at it every day for the Utah Fish and Game commission. Figure about 60,000 miles of mountaineering before this Chevy is traded. And yet the

district officer who drives it would bet his badge the tie rods won't even need replacing! Out in that wild, climbing Utah country, Chevy's suspension and frame and brakes, its Positraction rear axle and Thriftmaster 6 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevrolet's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped 1/2-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.

\*Optional at extra cost

No job's too tough for a Chevrolet truck!

## Good Rainfall in Most of State Helps Reservoir Capacities to Show Gains

Streamflow for the month was generally above the June average across the state, according to the monthly water condition report just submitted to The Herald by the Texas Board of Water Engineers. The release continues: A notable exception was the Canadian River near Amarillo with a mean flow approximating only one-quarter of the 23-year June average. Scattered heavy rains during the early and late portions of the month produced moderate to locally heavy flooding in some areas.

Conservation storage rose 10 per cent of potential capacity in 34 major Texas reservoirs. At the end of June, the total conservation storage stood at 9,242,280 acre feet or 91 per cent of capacity. At the end of June last year, usable storage stood at 94 per cent of capacity. Greatest increases in conservation storage for the month were in Buchanan Reservoir and Lake Texoma. Conservation storage in Red Bluff Reservoir on the Pecos River was 29 per cent of capacity compared to 14 per cent of capacity on the same date last year.

Flow from Comal Springs decreased to an average of about 290 cubic feet per second; the long-time average flow is about 300 cubic feet per second.

Seven of the eight selected observation wells recorded water level declines, and only one recorded a rise in water level. Locally heavy rains caused significant rises in the Edwards limestone wells after the June water level measurements had been made. A small rise of .01 feet in water level was recorded in the Edwards limestone well near Buda, bringing it to a record high for the month of June.

Many heavy thunderstorms splattered Texas during the month, according to a survey just completed by the Weather Bureau state climatologist at Austin. Lo-

cally heavy rains, usually of short duration (less than a day) resulted in flooding on streams in Northeast Texas and those whose headwaters lie on the Edwards Plateau. Downpours of up to 12 inches were reported on the Edwards Plateau on June 26. Hail and hard rains from the thunderstorms did some crop damage. In the agricultural areas of the state soil moisture is adequate.

Abilene and Lubbock's June rainfall is the greatest since 1921. Wichita Falls' June rainfall was the greatest since 1945, and the largest monthly amount since May, 1957. Although most first order Weather Bureau stations in Texas had above normal rainfall during June, many still show a total deficiency for the first six months of the year. The spotty nature of the rains to date can be noted by comparing Galveston's and Houston's totals.

Average temperatures for the first order Weather Bureau stations were about normal for June. Rainfall totals for June and for the six-month cumulative total follow in the table:

Station—	June	6-Mo.
Fall	Total

## Jones County Boys to Attend Cisco Camp

The six-county 4-H Club boys' camp will be held at Lake Cisco Wednesday and Thursday, July 29 and Thursday. The boys will arrive at Camp Cisco around 10:00 o'clock a. m. July 29 and return to Jones County around 4:00 or 5:00 o'clock July 30, according to Jones County Agent Kirby Clayton, who supervises 4-H Club work in the county.

All Jones County 4-H Club boys are invited to attend the camp, and each club member will receive a personal letter in the near future about detailed plans and meeting places for the camp, declares Clayton.

**TEDDY RUSSELLS VISIT.** Mr. and Mrs. Teddy Russell and children of Barnhart are visiting this week with his parents, Mr. and Mrs. W. C. Russell, and other relatives.

## Two Wildcats, One Confirmation In Area Oil Spotlight

Two new wildcats and one confirmation highlight the developments on the oil front in the Hamlin section the past several days.

Location for a proposed 3,500-foot rotary wildcat was staked nine miles southeast of Anson in Jones County. The test is Low Drilling Company, Inc. of Cisco and A. E. Frazier and Duffield Oil Company of Abilene No. 1 R. G. Gill. Drillsite is 2,562 feet from the south and 1,656 feet from the west lines of Section 54, Block 2, Southern Pacific Railway Company Survey.

Texaco, Inc. of Dallas has staked its No. 12 D. W. Stephens test three miles of Royston in the Round Top (Canyon Sand) Field west of Hamlin. Having a proposed depth of 4,500 feet with rotary equipment, it spots 330 feet from the south and 1,603 feet from the west lines of Section 79, Block 1, H. & T. C. Railway Company Survey.

Casing has been run at a confirmation project seven miles northeast of Hamlin in Stonewall County in the Flat Top (South Swastika) Field. It is Jim B. Curry et al of Abilene No. 1-A M. J. Miller, located in Section 151 B. B. & C. Railway Company Survey. Total depth is 3,442 feet. Completion will be made in the Swastika where a drillstem

**BULL'S EYE**—Freedom of movement is combined with fashion rightness in these well-tailored cottons designed for active sportswear. The shirt, coordinated to the slim plaid pants, has a smart tab front and roll-up sleeves. Photo by Ingenu.

## MRS. CAUBLE IMPROVED.

Mrs. F. E. Cauble was returned home over the week-end after a several-day stay in the Callan Hospital at Rotan, where she underwent treatment. She is much improved, declares Mr. Cauble, who was getting mighty tired of eating his own cooking.

test at 3,427-42 feet surfaced gas and recovered oil shows. It is a southeast offset to M. J. Mitchell No. 3 Lewis, a recent Swastika discovery.

## County 4-H Boys Attending District Buffalo Gap Camp

Eleven Jones County 4-H Club boys and the county delegate to the District 4-H Council are attending the District II 4-H Club boys' camp at Buffalo Gap from Wednesday through Friday of this week.

At camp the boys are participating in swimming, baseball, washers, horse-shoes, an educational tour of the Dyess Air Force Base along with an exhibition of the police dogs on the base and other educational and inspirational workshops.

Rev. J. W. Porterfield of the Anson First Methodist Church will entertain the group with a 45-minute magician act at 8:00 o'clock this (Thursday) evening. Those attending the camp from Jones County are Bill Culver, Bill DeBusk, David Lundgreen, Scotty Fleming, Stephen Haterius, James Wilkitt, Danny Ha-ber, Whitfield Manske, Larry Middleton, Gary Muehlstein, Stanley Harvey; and Lester Dalton, who is Jones County delegate to the Extension District III 4-H Club Council.

The group was accompanied to camp by Bill DeBusk and Kirby Clayton.

## SAME DIFFERENCE.

A man worries about what the future has in store for him, but a woman worries about what the stores have in the future.

## Neinda Baptists Set Revival Start Sunday

Revival services will be conducted each evening at 8:00 o'clock at the Neinda Baptist Church beginning Sunday, July 26 and continuing through Sunday, August 2, Rev. Frank Codington pastor, announces.

Rev. Raymond L. Smith, pastor of the Key Baptist Church near Lamesa will be the visiting evangelist. Stanley Jackson of Neir da will lead the singing. The public is invited to attend these services.

## Demonstration Club Women Making Plans for Concession at County Fair

Owing to the rain and heavy clouds only 14 members and six guests were present when the council of the Jones County Home Demonstration Clubs met in Anson last Wednesday. Out of the 13 clubs in the county only eight were represented.

Although the rains were greatly appreciated, many of our members live on muddy roads, and some like to stay near home when storm clouds threaten, as some of the clubs are situated a good distance from Anson, points out the council reporter. Maybe after a rest in August all members will be back in September, when the nominating committee will present the new officers for another year. The nominating committee

tee is composed of Mrs. Landon Loper, Mrs. H. H. Windham and Mrs. O. B. Leach.

The three-county camp at Lueders was discussed again, this to be held July 23 and 24. Jones County women have charge of registration this year. Lueders club volunteered to register the guests, and Good Neighbor Club had made the badges and sent them to the council. Mrs. Noel Weaver of Good Neighbor Club is chairman of the camp.

The club women of Jones County will have a booth at the West Texas Fair in Abilene, it was announced. Mrs. Dunklin, Yarbrough and Branscum of the 3-E committee will be in charge of exhibits for this booth. Mrs. Branscum read some of the rules of the fair.

The Jones County Fair, it was announced, will be held in Anson September 4 and 5. Mrs. Newberry read some of the rules for the show.

Council voted to have a concession stand at the fair and sell sandwiches, cold drinks, coffee and candy. Each club will help at a set time, and all who will be urged to come Thursday afternoon September 3, at 2:30 o'clock and help get the stand ready. The following schedule was worked out to help in the concession stand. Any club wishing to change its time may do so by contacting some other club and changing with them: Friday morning, September 4, from 9:00 a. m. to 1:00 p. m., Sunshine, Goodman and Bluebonnet Clubs will be on duty; Friday afternoon from 1:00 to 5:00 p. m., Lueders, Good Neighbor and Stith; Saturday, September 5, from 9:00 a. m. to 1:00 p. m., Friendship, Willow Creek and Pleasant Valley; Saturday afternoon, 1:00 to 5:00 p. m., Avoca, Comper, Friendly Circle and Tuxedo.

Clubs are urged to discuss this plan in their clubs, and see that each club has someone there to help, as all profits made from this concession stand will go to the Jones County council.

Advertising is as necessary to a successful business as the ability to buy the right thing at the right price.

## THESE WOMEN!

By d'Alessio

"Gee whiz, Jonesy, those new employees have barely met! Can't you wait until they're engaged at least before taking up your collection?"

## Mary J. Holland Has Children Home for Birthday Celebration

Mary J. Holland, long time resident of McCaulley community, celebrated her sixtieth birthday Sunday at a dinner given by her two daughters, Willie D. Holland of Hamlin and Lola B. Sparks of McCaulley.

All her children—four sons and two daughters—and a number of grandchildren attended the happy get-together.

Gifts were received from a number of relatives and friends, including Mr. and Mrs. George Howard of Hamlin.

Among attendants besides the honoree, included the four sons, Andrew Sparks of McCaulley, Thomas James Holland of McCaulley, Frank Perry of Yuma, Arizona, and I. H. Holland of Bakersfield, California; the two daughters, Rosie Lee Burleson of Hamlin and Olivia Kirby of McCaulley; and a brother, H. S. Turner of Hamlin.

## B&PW Club Enjoys Watermelon Feast

Eighteen members and two guests, Gayle Bishop and Mr. Letha Maberry, met at the Hamlin City Park Tuesday evening, July 7, for a watermelon feast of the Hamlin Business and Professional Women's Club.

Mrs. E. M. Wilson gave an account of her recent trip to the B&PW state convention held at Tyler.

President Mildred Howard announced there would be a district directors' planning meeting on July 19 in Sweetwater in the community room of the Texas Bank & Trust Company, and Hamlin members were urged to attend.

## Mrs. Frances Scott Has Children Home for Birthday Meeting

Mrs. Frances Scott had an interesting birthday celebration Saturday at her Hamlin home when her children and other relatives were home.

The following attended the get-together: Mr. and Mrs. Kelly Scott and son, John Edd, Darlene and Paul Scott and Mrs. Joe Wayne Carter of Hamlin; Mr. and Mrs. Joe O'Neal of Cotton Center; Mrs. Jacob Collins of San Antonio; Mrs. Carlos Wastel and children, Theresa, Guy, Vicki Ann and Darrell, of Corpus Christi; Mr. and Mrs. Nat Mearse and daughters, Laniace and Denise, of Snyder; Mr. and Mrs. Bill Scott and daughter, Alice, of Abilene; Rev. and Mrs. Roy George and daughter, Peggie, of Kermit; Mr. and Mrs. Dorman McDowell and daughters, Carolyn and Barbara, of Lubbock; Mrs. Nora McGee of Westminster, who is a sister of Mrs. Scott.

## MABERRYS HAVE GUESTS.

Mrs. Ralph Gillis of Prescott, Arizona, and Sergeant and Mrs. Maurice G. Gillis of Lackland Air Force Base at San Antonio, are visiting Mr. and Mrs. L. B. Maberry and other relatives here this week.

## TOO LATE TO DINE.

"Am I too late for dinner?" asked the cannibal prince. "Yes, everybody's eaten," answered the cannibal king.

## NICE AND FRESH.

Customer—"This coffee tastes like mud." Waitress—"Well, why shouldn't it? It was ground this morning."

## Ann Richey Among 2,500 Attending FHA Chicago Convention

Ann Richey, 17-year-old daughter of Mrs. Jack Richey of Hamlin, was among the 2,500 teen-age delegates attending the 1939 national convention of the Future Homemakers of America in Chicago, Illinois, last week.

Ann is a senior at Hamlin High School. She has been an FHA member for three years.

While at the convention she served as a recorder for one of 26 discussion groups and a hostess at a banquet along with 234 other Texas delegates and the Tennessee delegation. Ann was also responsible for taking notes on general sessions and the discussion groups she attended, to be used for articles for Future Homemaker publications.

The five-day convention opened last Monday. During the action-packed week U. S. Commissioner of Education, Dr. Lawrence G. Dierthick, and other outstanding educators helped FHA delegates find ways to put their new national program of work for 1939-42 into action. Objectives of the new program served as themes for the general sessions and focus FHA's attention on developing their potential abilities, understanding family members, knowing the value of home economics education, and promoting goodwill at home and abroad.

## Robert E. Norton to Wed Oklahoma Girl in August 15 Rites

Mrs. Robert Lee Lankford of Woodward, Oklahoma, is announcing the engagement and approaching marriage of her daughter, Zola Mae, to Robert E. Norton, son of Rev. and Mrs. Joe Norton of Hamlin.

The wedding will be August 15 at 8:00 p. m. in the Church of the Nazarene in Woodward, with Rev. Joe Norton, father of the bridegroom, officiating.

Miss Lankford is a graduate of Hennessy High School and Bethany Nazarene College.

The prospective bridegroom is a graduate of Hamlin High School and Bethany Nazarene College. He will teach the coming school year in the Golden, Colorado, schools.

## Friendship Club Has Program on Sewing

Mrs. E. G. Young gave a demonstration of sewing techniques when members of the Friendship Home Demonstration Club met at the oil mill guest house July 10.

Roll call was answered by members giving two favorite colors.

Following the program, Mrs. W. F. Green, hostess, served punch and cookies to Mrs. Fred Carpenter, E. G. Young, J. O. Murphree, R. M. Young, Sol Branscum and Carl Young.

## County Home Agent Gives Pointers on Freezing of Vegetables This Season

Freezing vegetables seems to be popular now in Jones County, says Mary Y. Newberry, Jones County home demonstration agent. She offers a few suggestions:

In freezing corn on the cob, select ears with plump, tender kernels and thin sweet milk. Husk, silk, trim, wash and sort ears according to size. Heat in boiling water: Small ears, up to one and one-quarter inches diameter, seven minutes; medium ears, one and one-quarter to one and one-half inches in diameter, nine minutes; large ears, over one and one-half inches in diameter, 11 minutes. Cool and drain. Pack ears into containers or wrap in moisture-vapor-proof containers. Freeze immediately.

For whole grain style corn: Husk, silk, trim and wash. Heat in boiling water for four minutes. Cool, cut kernels from cob at about two-thirds the depth of the kernels. Package and freeze immediately. For cream style, heat in boiling water for four minutes. Cool, cut kernel tips once or twice

no deeper than the center of the kernel. Package and freeze immediately.

For freezing peas: Select well filled pods with tender peas. Wash, shell and sort according to size. Heat in boiling water: small peas, three minutes; medium peas, four minutes. Cool, drain, package and freeze immediately.

For more information on freezing, contact the home demonstration agent's office for a bulletin entitled "Frozen Foods."

## Methodist Women to Attend Conference School of Missions

"To Kindle . . . a Growing Light" will be the theme lifted at the tenth annual Northwest Texas Conference school of missions, scheduled at Lubbock July 27 to 31 at St. John's Methodist Church. A number of Hamlin area Methodists are expected to attend the sessions.

Special feature of the school of missions, which is sponsored by the Woman's Society of Christian Service, will be an hour before noon each day devoted to a special study, "The Idea of God as Revealed in the Scriptures." Leader for this Bible study will be Rev. Charles E. Luttrick, executive secretary of the Northwest Texas Methodist Conference board of education.

Approved studies to be taught and their instructors are as follows: "The Gospel of Luke" by Dr. Rhoda C. Edmeston of Nashville, Tennessee, professor of Old Testament and Latin American missions at Scarritt College; Mildred Oment of Jonesboro, Arkansas, vice president of the North Arkansas Methodist Conference WSCS; and Mrs. W. W. Paxton of Lake Charles, Louisiana, associate director of Christian education at First Methodist Church, Lake Charles, and Louisiana Methodist Conference WSCS secretary of spiritual life cultivation.

Frances Hackler, Dr. Irma Highbaugh and Mrs. W. B. Lendrum will teach the study on Africa. Miss Hackler of Mansfield is a returned missionary from Africa, where she served in Southern Rhodesia.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin—Texas' fifty-sixth Legislature fizzled to the end of its third session and one hundred eightieth day with its main job—providing money to run state government—still undone.

Governor Price Daniel called a fourth session to begin just hours after the last one ended.

House members repeatedly voted down tax bills presented by joint conference committees of senators and representatives. Senate voted favorably each time.

First House rejection was by a vote of 81 to 64. This was on a bill to tax tobacco, natural gas production, corporation franchises, utilities, motor vehicles, liquor, wine, boats, motors, airplanes, radios, TVs, phonographs, cameras and liquor by the drink in private clubs.

Speaker Waggoner Carr named a new House conference group composed of members who had voted against the bill. They met with the Senate conferees that had voted twice before.

Only change in the new report was that the private club tax was cut out and the radio and TV tax slightly increased.

House rejected it again, this time 83 to 66.

More conferences and more votes followed in the final frantic hours. All futile! None made any apparent progress toward compromising the basic bone of contention, whether to tax gas pipelines. House favors this "severance beneficiary" tax by a narrow margin. Senate is flatly against.

Along with his new call, Governor Daniel issued a sober warning. Unless a tax bill is passed and effective (requiring a two-thirds favorable vote) by August 15, there won't be time or money to get September 1 checks to 225,000 old age pensioners.

Carr Foes Back Down.—During the tense, short-tempered days in the wind-up of the last session, Speaker Waggoner Carr was, for a time, target for pent-up frustrations and pressure.

Carr had worked to get the House to accept the Senate-passed tax bill. When the House turned the bill down, Carr said that "obstructionists" had defeated it.

This was a red flag to members already sensitive to public criticism of a "do-nothing" Legisla-

ture. For several days they simmered. They accused Carr of trying to thwart the will of a House majority, talked of voting him out of the speakership.

In a dramatic showdown, Carr stepped down from the rostrum and challenged his critics to remove himself if they thought it would make things any better.

Nobody accepted his dare. A few minutes later, on motion of Representative Joe Burkett, the man Carr defeated for the speakership, Carr was escorted back to the speaker's chair.

And the wearying legislative battle began again.

Student Fee Bill Okayed.—A bill to require state college students to pay an activity fee passed both houses by very narrow margin.

Measure would allow the colleges to charge students up to \$30 a semester to support health services, book rentals, cultural and athletic events, campus publications, parking, etc.

Any college may exempt from the fee up to 10 per cent of its enrollment in cases where the charge would cause "undue financial hardship."

Bill was hard fought. Opponents declared it would make "free public education" available only to the rich. Backers said the colleges had to have more money. It was estimated the bill could bring in as much as an extra \$1,000,000 a year.

Beach Bill Passes.—Both houses passed and sent to the governor a bill guaranteeing public access to state-owned beaches.

It took a conference committee to work out the differences between House and Senate ideas on the bill.

As finally passed, the bill says the public shall have the right to come and go from public beaches. No one, it says, shall erect a fence or barrier to prevent this.

Beaches that cannot be reached by public road or ferry are exempt.

Walt, Young Lovers!—Governor Daniel's expected signature on a newly passed bill will put a damper on the elopement plans of Texas teenagers.

It will require boys under 21 and girls under 18 to wait three days after obtaining a license to

## KERRY DRAKE

get married. Also, to get the license, the youngsters must be accompanied by parents or guardians.

Some lawmakers said it would mean more running across the state line to marry. However, Oklahoma recently passed a similar law.

Need Money First.—Amid the legislative tax deadlock, the Commission on Higher Education decided to stop studying new money spending programs until there's money to spend.

Commission's job is to determine needs of the state's colleges and universities and make recommendations to the Legislature.

Expanded programs and new degrees are being sought by many schools. But when the commission met, there was no money in sight even to open the schools next fall, let alone expand them.

Commission resolved to "approve no programs which entail additional expenditure until such time as monies are provided for the programs and offerings already in existence."

Oil Quota Kept Down.—Texas oil allowable will be held down to nine producing days again for August.

Texas Railroad Commission ordered the same production as for July—2700,164 barrels a day on a nine-day schedule.

Major oil purchasing companies and independent producers were virtually agreed that production must be kept low to reduce excessive stocks.

Watch That Paint!—If someone slips on a strip of wet city paint, is the city liable for personal injury damages? State Supreme Court has this issue under consideration in a case that may affect all Texas cities.

City of Austin is being sued for injuries of a person who slipped on fresh paint marking a car parking lot. Lower courts held the city was liable.

All kinds of pencils at Herald

### THESE ODD PHONES!

Farmer Jake Brown long had held out against having a telephone installed in his home, nor would he have anything to do with the "contraption."

Finally he relented. A day later, he was in the farmyard when he noticed a telephone company truck pull up. "Come to measure up for the phone," the telephone man said.

Farmer Brown looked puzzled. "Well, I'll be," he said, taking off his cap. "I didn't think my ears were bigger than anybody else's."

Most people can give good excuses for failing to do what they don't want to do.

## Estimated Two from County to Be Included in Draft for August

An estimated two draftees from Jones County are due to be included in the August draft call.

The state quota for Texas draft boards in August calls for 344 men. Colonel Morris S. Schwartz, state selective service director, announced Wednesday.

The state's August call of 344 compares with a quota of 382 for July and 284 for June. The August call is the state's share of a national quota of 7,000 men, all for the Army. The July national quota was 8,000.

Colonel Schwartz also announced that the local boards would send around 1,500 men for pre-induction physical and mental examinations. These men return home

NO TROUBLE AT ALL. Fiancee—"Mother told me to object to the use of the word obey in the marriage ceremony."

Fiance—"And what did you tell her?"

Fiancee—"I said I wouldn't."

Fiance—"You darling!"

Fiancee—"Yes, I said you could take a joke as well as any man."

### SUCCESS AT LAST.

"I suppose it was hard to lose your daughter," said the friend the day after the wedding.

"Well, it did seem hard for a while," said the father, "but she landed the fellow finally."

after being examined at examining stations.

The August quota will be filled with men who are at least 22 years old on August 1, with the exception of volunteers or delinquents, who may be younger.

## Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now go "smiling through" those trying years—without awful suffering from "hot flashes." Countless women have found you no longer have to feel sickly, "old" before your time. Today, many can enjoy change-of-life—without terrible suffering!

Pinkham's Tablets have been developed especially to relieve those functionally-caused "female miseries." Their unique formula includes blood building ingredients also have Lydia E. Pinkham's Vegetable Compound.

### NO PAINFUL SHOTS!

3 out of 10 treated by doctors get thrilling relief—without costly shots! Why not you? Get Lydia E. Pinkham's Tablets at drug stores. See if you don't find new happiness during change-of-life!

If you prefer a liquid, drugists also have Lydia E. Pinkham's Vegetable Compound.

## TELEPHONE TALK

by Truman Black, Manager

## Woman's Forum Doing Good Work

One of the most active civic organizations in Hamlin is the Hamlin Women's Forum, composed of representatives of the major women's and civic clubs of the community. The Forum is sponsor of the Hamlin Public Library, which was originally donated to the community by Mrs. D. D. Harden. The library is fulfilling a long-felt need for providing more good books for the reading public of the area.

As a side project at the library, the Woman's Forum is this summer conducting a Children's Story Hour each Friday morning beginning at 10:00 o'clock, which is growing in popularity and interest.

Southwestern Bell salutes the Woman's Forum and congratulates the group on the work it is doing.

## Vacations and Telephones

When you think of vacation, about this time of year, you probably think of fishing, swimming, visiting or just plain relaxing at some nice vacation spot.

Well, I'm happy to say that more and more people are using the telephone to have more fun on their vacation trip.

Here's how it work (and you can do the same if you're one of the lucky people still looking forward to a vacation):

First, call ahead to reserve your accommodations, or to let the family know when you'll arrive.

Next, call ahead to make overnight reservations along the highway. This way, you can drive longer and still be sure of a place to stay.

I think you'll find that this "calling-ahead habit" will help you and your family have an even better vacation.

Why not give it a try? And remember, call station-to-station—it's about one-third cheaper.

## Ten Rings

With back-yard barbecues so popular nowadays, people are spending more and more time outdoors. So when you call your friends, remember it may be quite run from the back-yard to the telephone.

Give them time to make the dash by letting the telephone ring ten times.

Who knows? They may ask you over, too, for some of those hamburgers on the grill!

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

## Farmers Home Administration Reports Nearly Half Million in Farmer Loans

Farmers Home Administration reports more than \$428,000 was loaned to 128 farmers in Jones County during the fiscal year ending June 30, 1959, according to the agency's county supervisor, Thomas M. Nanny.

Of this amount \$243,240 was loaned for farm operating expenses; \$185,000 was loaned for the purchase of livestock; \$34,975 was loaned for the purchase of new tractors and equipment with long term payments running to six years on some new tractors; \$47,000 was loaned for the purchase of used tractors and equipment; \$22,550 was loaned for

farm housing and repairs, with two new farm homes constructed during the year; \$22,070 was loaned for land purchases; \$5,630 was loaned for soil and water purposes.

The annual average gross cash income grew from \$5,020 to \$6,546 per family from the 1957 crop year to the 1958 crop year. As proof that good planning pays off, Nanny reports that nearly 18 per cent of the Farmers Home Administration borrowers in Jones County have repaid their FHA loans during the fiscal year of 1958 and are able to get all their necessary financing from local banks or other cooperative lenders.

Farmers Home Administration collections for 1958 amounted to \$386,000, which, Nanny stated, was one of the best all-around crop years in Jones County since the drought years of 1951 through 1957.

The 1959 crop outlook is good at this time, points out the FHA official, with adequate moisture to carry crops into August before more rain will become essential. The 1959 wheat crop has not been as high as last year, but yields have run above earlier estimates for the county.

## Sunday Schools Show Attendance Decline Again Last Sunday

Another slight drop in attendance was recorded Sunday at the Sunday Schools of the 12 reporting Hamlin churches. The 1,131 total was 18 less than the previous Sunday's 1,149, and was 121 less than the figure for a year ago.

Attendance, by churches, for July 19, July 12 and a year ago follows:

Churches—	July 19	July 12	Year Ago
Church of Nazarene	62	93	84
Oak Gr. Col. Baptist	50	60	80
No. Cen. Baptist	83	64	73
First Baptist	350	348	335
Church of Christ	126	141	159
Foursquare Gospel	60	50	74
First Methodist	176	172	186
Assembly of God	45	46	39
Sunset Baptist	34	38	32
Mexican Baptist	46	36	59
Calvary Baptist	42	45	57
Faith Methodist	57	56	54
Totals	1131	1149	1162

## Baptist Churches Of Hamlin Send Groups to Camp

Central West Texas Baptist Encampment, which was held last week at Lueders, was attended by young people and their sponsors from the Sunset and Calvary Baptist Churches of Hamlin.

Rev. Derl Lee, pastor of the Sunset Baptist Church, brought the Tuesday evening message.

A good encampment was reported, with over 100 more in attendance this year than last year. Ten professions of faith were recorded during the camp. Plans are being made for a bigger and better encampment next year, declare church leaders.

Those attending from the Sunset Baptist Church were Bro. and Mrs. Lee, Mary Alice and Aubrey Fry, Donald Embrey and Jimmy Kincaid. Those attending from the Calvary Baptist Church were Rev. Royce Campbell, Mrs. Carl Bingham, Linda, Joyce and David, Mrs. L. B. Bruner Jr., Dan Allen and Sharon, Mrs. Archie Carson, Janet and Gary, Mrs. Clarence Butler, Barbara and Larry, Kay Johnson, Belinda Wood, Candace Thompson and James Southard.

## HAS RIGHT SOUND.

A taxpayer asked a Washington bureaucrat: "How are you today?" "Oh," said the bureaucrat, "I'm fair to meddling."

In addition to free speech, a person has the right to keep his opinion to himself.

## New District VFW Leader Urges More Service by Groups

Emphasis will be on community service in the Veterans of Foreign Wars during the coming year, according to Fred C. Stevenson of Sweetwater, who commands the state's largest VFW district.

The recently installed commander of Texas District 8, which includes Hamlin's Post 6014, added that community service was being emphasized on a national and state level in the Veterans of Foreign Wars' 1959-60 program, and he will make every effort to stress it on the district and post plane.

"We must justify our existence in the community," he said. "If we make a place for ourselves in the community, our membership will increase as our service to others increases."

Stevenson is currently visiting the posts of his district and is conferring with district and local officers of the organization in order to complete plans for the year's program. Several appointments will be announced shortly.

A continuous member of the Veterans of Foreign Wars since 1946, Stevenson is immediate past commander of Sweetwater's Post 2479. He also served as deputy chief of staff of the district during the 1958-59 year.

He was born in Sweetwater and is a graduate of Abilene High School. He was graduated from Texas A. & M. in 1939 with a BA degree.

Entering the service in 1942, Stevenson served in North Africa and Europe with the 938th Field Artillery Battalion attached to the Sixth Corps. He was wounded at Anzio beachhead in 1944. He was discharged in 1945.

Stevenson is treasurer and office manager of Hillsdale Gravel Company at Sweetwater.

With over 4,000 members, Texas District 8 is composed of Veterans of Foreign Wars posts in Abilene, Sweetwater, Brownwood, Cisco, Eastland, Rotan, Merkel, Ranger, Hamlin, Cross Plains, Breckenridge, Snyder, Albany, Anson, Colorado City and Stamford.

## NOTHING WORTHWHILE.

He was taking a sweet young thing to the baseball game, and he got increasingly irritated as she delayed their arrival. Finally they got there at the end of the sixth inning.

"What's the score?" he asked of a man beside him.

"Nothing to nothing," was the answer.

"There now," exclaimed the sweet young thing, "we haven't missed a thing."

**FLAMING YOUTH**—Seventeen-month-old Simon Zavala Jr. of Corpus Christi tried smoking the first time three weeks ago when a friend of his parents left a lighted cigarette in an ash tray. Simon inhaled and didn't bat an eyelid. Since then he has smoked every cigarette he could get his hands on. His non-smoking parents hope the habit doesn't grow.

## More Children Attend Library Story Hour

Twenty-one children attended the second story hour at the Harden Memorial Library Friday, sponsored by the Hamlin Woman's Forum.

Mrs. Buren Carlton and Mrs. Zelma Hulise were hostesses. Sandra Smith entertained the children with stories, poems and songs.

Story hour will be conducted each Friday morning through August 14 at 10:00 a. m. at the Harden Memorial Library, 324 Southwest Avenue A. All children five through eight years of age are invited to attend. Parents should call for the children at 10:45 a. m. to take them home, forum officials declare.

Better stop worrying about what your son will do when he grows up—see what he's doing now.

Don't worry about the smart alecks who deride the churches. That's where you belong if you want to do anything to improve yourself and your race.

## Rotary Club Hears Reports on Girls' State by HHS Pair

Hamlin Rotarians and their guests last Wednesday heard direct reports of government at the state capitol—and two Hamlin High School girls provided the inside information. They were Peggy Dodd and Patty Bigham, Hamlin representatives to the recent session of Girls' State.

The girls were sponsored to the annual clinic on government by the Hamlin Rotary and Lions Clubs in cooperation with the Sylvester chapter of the American Legion Auxiliary.

The girls gave reports on their trip and activities at Girls' State. Patty reported that there were 400 girls from over Texas cities and towns attending and learning the inner working and functions of our government. She also reported that their city had only five bath-tubs for 50 girls.

Peggy reported on the schedule that was followed throughout their stay. From her report there was no wasted time. Forming a government from the town level to the state government in just 10 days' time is quite a problem, she declared. Girls' State attendants were addressed by the governor and many other state officials.

Besides the girls, other guests at the Wednesday luncheon were W. M. Blackburn of Stamford, Victor E. Behrens Jr. of Abilene and Ray Copeland of Plainview.

## Cotton Insects Still Do Some Damage Over This Section

Cotton harvest was proceeding rapidly in the Lower Valley, declares the weekly cotton insect condition report issued to The Herald by the Texas Agricultural Extension Service in cooperation with the plant pest control division of the U. S. Department of Agriculture. The report continues:

However, many fields still need insecticides to protect bolls for late infestations of boll weevils and bollworms. Cabbage loopers were reported to be causing some damage in the Coastal Bend and Upper Coastal areas. Some bollworms were reported from most areas of the state with heavy egg deposition and hatch in the Coastal and Central regions. Boll weevil infestations were reported from most areas except the Plains, but damage seemed to be spotted rather than general.

Light to medium infestations of fleahoppers and thrips were found in most of the Plains areas with occasional heavy infestations on late-planted fields. Other cotton pests reported were cotton leafworms, spider mites, aphids, pink bollworms and grasshoppers.

Fruiting cotton needs applications of insecticides for bollworm control in all areas where considerable numbers of bollworm eggs are found and young worms are beginning to injure squares.

In the report on the Northwest Texas region, of which the Hamlin area is a part, thrips infestations were reported light in Stonewall, Wilbarger, Collingsworth, Jones, Motley and Kent Counties. Fleahopper infestations were noted to be light in Stonewall, Wilbarger and Collingsworth Counties. Bollworm infestations were reported light in Stonewall, Wilbarger, Jones and Wichita Counties. Light infestations of weevils were found in Wilbarger, Jones and Wichita Counties. Extensive infestations of cabbage loopers were reported in Runnels County.

**MISS TEXAS OFF TO BEAUTY CONTEST** — Carolgean Douglas of Corpus Christi boards a plane in Dallas on her way to Los Angeles, California, to compete in the Miss Universe contest. When she arrives in California there will be no doubt in anybody's mind what state she's representing. Her Western outfit smile, and beauty could only come from Texas.

### Freight Carloadings For Santa Fe Increase

Freight carloadings for the Santa Fe Railway System for the week ending July 11, 1959, were 23,723 compared with 22,975 for the same week a year ago, reflecting another gain. Cars received from connections totaled 10,510

If you never advertise, some people will never hear of you or what you have to offer.

compared with 8,467 for the same week a year ago. Total cars moved were 34,293 compared with 31,442 for the same week a year ago. Santa Fe handled a total of 40,271 cars in the preceding week this year.

## Recommendations Made by State FB Advisory Group

Texas Farm Bureau board of directors, meeting in Waco in mid-July, approved a long list of recommendations made by the organization's 39-member commodity advisory committee, declares C. E. Gregory of Hamlin, Jones County president of the unit. The committee, composed of 26 lay members and 13 state directors from all sections of the state, met for two days prior to the board's regular quarterly session.

Among the major recommendations made by the livestock subcommittee and approved by the board were the following:

1. Endorsement of animal health legislation passed by the fifty-sixth Legislature, especially the brucellosis eradication program. County Farm Bureaus were requested to help bring the brucellosis program into operation at an early date.

2. Texas Farm Bureau requested to strengthen its efforts to promote red meats through the state-wide committee of the National Livestock and Meat Board. This state committee was organized recently.

3. Texas Farm Bureau requested to support all possible efforts to inaugurate screw-worm eradication program in Texas.

Some of the major recommendations of the field crops subcommittee which were approved by the board included:

1. Texas Farm Bureau to arrange for demonstration of new electronic cotton classing machine at TFB institute August 2 to 5 in Dallas.

2. American Farm Bureau Federation requested to work for a percentage decrease in grain sorghum storage rates in proportion to the decrease in price supports for that commodity.

It is a great temptation to agree with certain people rather than engage in a hopeless discussion and waste one's time.

**AIR FORCE OFFICIAL**—Dudley Sharp (above) of Houston has been appointed under-secretary of the Air Force.

### Cecelia Albritton of Hamlin Enrolled for H-SU Summer Term

Cecelia Albritton, daughter of Mr. and Mrs. W. Henry Albritton of Hamlin, is enrolled in the second half of summer school at Hardin-Simmons University, according to a release from the Abilene school.

Enrollment for the second half of H-SU's summer session is expected to total about 450 when registration is completed for the last three-week term August 4.

There were 513 on hand for the first half of the summer school, which included a six-week term and two three-week periods. Enrollment is about 10 per cent above 1958.

The 1959 summer session will close with commencement exercises at 8:00 p. m. August 21. George L. Graham, director of the summer school, has announced.

### OLD HAND AT IT.

Doctor—"Your cough sounds much better this morning." Patient—"It should be. I've been practicing all night."

## Replacements for Officers in Lions Club Are Named

Austin Siburt, song leader for Hamlin Lions Club last year, was reelected to the post at the Tuesday noon luncheon of the civic group at the oil mill guest house. He previously had been named Lion tamer, but the elected song leader resigned recently. E. G. (Sonny) Holzmann was named to the Lion tamer place.

Gerome Duderstadt was elected to membership in the club, and will be installed next week, it was announced.

Program for the day was provided by Patty Bigham and Peggy Dodd, Hamlin High School girls, who told of their recent trip to Bluebonnet Girls' State at Austin, where they participated in government demonstrations and training. They were sent to the government demonstration by the Hamlin Rotary and Lions Clubs under sponsorship of the Sylvester American Legion Auxiliary.

Patty declared she got a new concept of the duties and rights of citizenship. She said both she and Peggy were members of the Federalist political party, which won most of the public office in spirited election campaign. She was named an accounting commissioner of her city's government.

Peggy presented a schedule of the 10-day Girls' State. She said highlights of the affair to her were the colorful installation ceremonies for state officials, which were made with actual officials of Texas, and the visit to the House of Representatives.

### MUCH TOO FAST.

Wife—"You know, Wilbur, I speak as I think." Husband—"Oh, no, my dear. You speak quite often."

Despite the outcry against taxes, the average citizen gets as much for his tax dollar or more than he does for most of the others he spends.

## Senator Johnson Cites Trimming of President's Budget as Congress Thrift

The charge that this Congress is composed of free-wheeling spenders is a phony charge, declares U. S. Senator Lyndon B. Johnson in his weekly news release to The Herald. The release continues: It is a propaganda charge. It is an unfair charge. Let's look at the record:

The Congress traditionally, since the first Congress in 1789, appropriates—generally speaking—less money than the president asks it to appropriate.

Since President Eisenhower took the oath of office, the Congress has cut his appropriation requests by more than \$1,000,000,000. Fat has been trimmed out of every budget.

This year, the Congress has passed six appropriation bills and sent them to the white house.

Those bills total \$222,000,000 below what the president asked. So, the Congress has cut \$222,000,000 in fat out of the six bills handled thus far this session.

Some bills will be increased. This includes the appropriation for defense. We will increase the health bill. And Congress will probably increase—above what

the president asked—the appropriation for public works. These are three appropriations that will be increased by the Congress. And a majority of the Congress believes these increases are vital to the country.

But the Congress will probably decrease all the other 13 appropriations.

When a summary is made, when the record is completed and the net result is known, the Congress will have appropriated, in my opinion, less than the president asked the Congress to appropriate.

On November 18, 1958, I told the president at the white house that I believed Congress would cut his budget as much this year as we did last year.

Some people talk about back-door financing—which simply means borrowing on the treasury.

The largest bit of back-door financing that has been approved by this Congress is the \$4,500,000,000 that the president asked for the international monetary fund and the world bank.

That, certainly, is not the story of a spendthrift Congress.

## Hamlin Druggists Cooperate in Poll On Youth Problem

All three Hamlin drug stores are participating in the state-wide efforts for the 1960 white house conference on children and youth being sponsored by the 2,000 member pharmacies of the Texas Pharmaceutical Association, it was announced this week by Dr. Guy D. Newman of Brownwood, chairman of the governor's committee.

Participating in the poll are Waggoner Drug, Reynolds Drug and Howard City Drug.

In order to provide the adults and young people of Texas a further opportunity to express their ideas of the problems of children and youth, each member pharmacist is placing public opinion polls in his store for use of the general public. Interested persons may pick up a poll at their nearest pharmacy. When completed, polls are to be mailed directly to Governor Price Daniel at Austin.

"It is highly appropriate that the pharmacists, always interested in serving the health needs of our children, are expressing their interest in this nation-wide study of the problems of our future citizens through this valuable and tangible service to the white house conference on children and youth," Dr. Newman said.

## Baptist Junior RA Camp to Open at Lueders Monday

Junior Royal Ambassador camp will open at 2:00 p. m. Monday, July 27, at Lueders Baptist Enclave and will close with the noon meal Thursday, July 30. A number of boys from the Hamlin region will attend.

Rev. Lenard Hartley, pastor of the Lamar Street Baptist Church in Sweetwater, will direct the RA camp.

Rev. Avery Sullivan, pastor of the Trinity Baptist Church in Sweetwater, will serve as camp pastor.

Rev. Alvin Hatton, missionary to Brazil, will be the missionary for the week. Rev. Hatton is Royal Ambassador secretary for Brazil, having assumed this position in 1950. At that time there were less than half a dozen RA chapters in Brazil; now there are 150. Rev. Hatton promoted and purchased a camp site, and camping is a basic feature of the Royal Ambassador program in Brazil.

In addition to his responsibilities with the RAs, Rev. Hatton is pastor of the Rio Douro Baptist Church, and resides in Rio de Janeiro. A native of Abilene, he received his bachelor of arts degree from Hardin-Simmons University, and the bachelor of divinity degree from Southwestern Baptist Theological Seminary in Fort Worth.

Other personnel of the camp include Rev. Philip Goodrum of Rotan, chairman of mission study. He will be assisted by Rev. Glenn Roenfeldt of Roscoe, Rev. Daniel Aleman of Sweetwater, Rev. Don Reed of Sweetwater, Rev. James Kinsey of Nolan, Rex A. H. Williams of Trent, Rev. Harold Watson of Peacock, Rev. Rodney Dowdy of Rule, Rev. James Allison of Rotan, Rev. Alfred Altum of Abilene, Edwin Peoples of Abilene.

Rev. Morgan Beach of Albany will direct the ranking study. Rev. Herbert Barker of the First Baptist Church in Rochester will direct the music. Mrs. Gene Tucker of Rule will serve as camp nurse, and Mrs. N. I. Williams of Lueders will serve as registrar. Rev. L. L. Trott of Abilene is the district missions secretary of District 17, Baptist General Convention of Texas. George McDonald of Rotan is the District 17 Brotherhood president, and helps plan the work of the Royal Ambassadors for the eight associations in the district.

If you know a human who is a better friend than your dog, we would suggest you keep in touch with him.

## Reynaldo Rivera Gets Army Advancement

Reynaldo Rivera, 20-year-old son of Mrs. Margaret S. Nunez of Hamlin, recently was promoted to specialist four in Germany, where he is a member of the 51st Infantry, according to a release to The Herald from his base.

Specialist Rivera, an armored personnel carrier driver in the 51st's Company C in Butzbach, entered the Army in May, 1956, and arrived in Europe the following November.

He attended Hamlin High School previous to his military tour of duty.

## Louisiana Hayride Show Set Saturday At Stamford Site

Louisiana Hayride, Saturday night country music show of Station KWKH, will be in Stamford Saturday, July 25, at the Texas Cowboy Reunion arena, starting at 8:00 p. m., under auspices of Stamford Jaycees.

Louisiana Hayride is known as the "cradle of stars," since over the past several years it has discovered and developed more top stars than all other shows of its kind combined. Among those who have springboarded to fame via the Hayride are the late Hank Williams, Elvis Presley, Webb Pierce, Slim Whitman, Farron Loung, Jim Reeves, Johnny Cash, Red Sovine and many others.

## ON NORTHWEST TOUR.

Louise Proctor and Elsie Withers left Saturday by train for California and the Canadian Rockies. In Albuquerque, New Mexico, the women were to join the Vanderbilt Better Tours for their vacation.

The regular cast is headed by Johnny Horton (Battle of New Orleans) and includes a number of promising young artists who have come forth with several hit records. They are Jimmy Martin and the Sunny Mountain Boys, Carl Belew, Johnny Mathis, The Gays, The Four Bs, Margie Singleton and Frankie Miller. All are under recording contracts, and at least three have already had records that ran up impressive sales and hit charts.

Tickets are on sale in Hamlin for the Stamford show at Limit Cafe and Howard City Drug, or may be secured by writing Box 1088, Stamford, care of Jaycees.

## Billy DeBusk, Anson 4-H Club Boy, Wins Sears Litter Contest

Billy DeBusk, Anson 4-H Club boy, was first place winner in the heavy litter contest in the Abilene Sears store swine area, according to Jones County Agent Kirby Clayton. Billy's sow farrowed and raised 11 pigs which weighed 524 pounds at 56 days of age. Billy received the first place, district award from the Sears Roebuck Foundation of \$25 cash, which he will use to further improve his Sears swine demonstration.

Sears Roebuck Foundation, the sponsor of this program, distributes eight registered Duroc gilts to eight outstanding 4-H Club boys each year. The boy in turn gives back to the county agent a gilt for distribution to eight other boys the following year. This

## GREENS HAVE GUESTS.

Visitors in the home of Mr. and Mrs. Ira Green over the weekend were Mr. and Mrs. Bobby Green and Charles Green of Dallas, Mrs. Lora Story and son, Mike, of Abilene, Mr. and Mrs. Glenn Posey and daughters, Gayle and Carol, of Rotan; Mr. and Mrs. J. L. Blanton and girls, Deborah and Lanna, of Hamlin; Rita Walker of Ovalo; Mrs. Andy Bundas and son, Dewayne, and Mrs. J. C. Green of Hamlin.

## GIRL IN THE DARK.

Boy—"Why were the Middle Ages called the Dark Ages?" Girl—"Because there were so many knights."

program has been instrumental in getting many good blooded swine distributed through this and other counties throughout the state of Texas and the nation. Clayton points out.
